Resume

> Hi, I'm **Nabameet Chatterjee**, a designer and illustrator based out of my dorm room at DTU, India.
>
> Although my more expressive projects provide the viewers with perhaps a gloom ridden outlook on life, my Brand design and UI/UX design work is catered to market research and the client's audience.

🛠️ Skills

💻 Technology

Figma ⭐⭐⭐⭐⭐

My go-to tool when it comes to Wireframing, UI Design and Prototyping. FigJam is great for brainstorming too. One program does it all.

Adobe Illustrator ⭐⭐⭐⭐⭐

For vector art and illustrations. One of my favorite programs of all time.

Adobe Photoshop ⭐⭐⭐⭐

From adding text to manipulating photos, the versatility is great.

Full-Stack JavaScript & TypeScript ⭐⭐⭐⭐

My "native" programming language, I've worked with it since high school. I've used it in the front-end with various templating engines and Svelte, in the back-end for APIs with Deno and Oak, Node and Express, and Apollo for GraphQL.

HTML & CSS ⭐⭐⭐⭐⭐

First exposure to the world of web development. Probably been writing scripts in these languages for a decade now.

Java ⭐⭐

High School Computer Application classes taught me Java. Learnt the concepts but can't do much outside the CLI.

🗣️ Languages

English 🇮🇳🇬🇧🇺🇸

First language. Medium of instruction since primary school.

Hindi 🇮🇳

Proficient.

Bengali 🇮🇳🇧🇩

Native speaker.
